Cyclones - Cyklon 100S

Efficient dust collector for grinding dust SCANTOOL Cyclone 100S is the ideal dust collector instead of the typical dust bag.

The cyclone always stay 100% efficient against the dust bag which will effect the extraction as the bag gets full.

Note that the Cyclone 100S can only be used in connection with an exhaust system !

SCANTOOL Cyclone 100S is delivered complete with hose, fittings and an outlet filter.
